Various Colors

We offer a variety of color options ranging from soft and subtle to vibrant and bold. Our whites, greys, and tans in warm and cool hues provide a neutral backdrop for creating a serene setting, while brilliant hues like deep earthy browns and concrete grays provide a more remarkable focal point.

MATT

— COLLECTION —

600x600mm

Thanks to our innovative glazing process, our Matt Collection series are more tactile and sturdy! Whether you pair them with our glossy tiles or play with tones to add a more monochromatic touch, our matt tiles will hit the right chords! Besides, these tiles give a classic yet subtle look to any space, add anti-skidding features, and are cost-effective.
