

# Pinecrest Communications Department Misleads Residents

## Intentional or Ignorance?

Pinecrest communications department tells residents that our Charter has no term limits for the mayor and councilmembers.

Residents told that Amendments "would put term limits in place."

This response is FALSE and NEGLIGENT.

For clarification, the current Charter does not have term limits and allows unlimited ability for elected officials to run, so long as they have a break in service which can theoretically be a day. Please email [communications@pinecrest-fl.gov](mailto:communications@pinecrest-fl.gov) if you have further questions.
