

IS YOUR HOME IN THE **RED CIRCLE** ?

USE YOUR VOICE **STOP** THE FORCED HIGH DENSITY

MIAMI DADE County has Control of Zoning 1/2 mile east and west of US1 driving the County's desire to up-zone adjacent properties. They now Propose to force Municipalities to give up their zoning along the US 1 Corridor to force high density.

Here are the #s:-

- 125 new units per acre - 15 story buildings
- Population EXPLOSION 859% - 159,000 more

How can our Infrastructure & Resources Handle this Growth?

What about our Schools, Police, Hospitals, Flooding, Sewers, Water, & Congestion?

CALL TO ACTION EMAIL: STOP THE COUNTY FORCED HIGH DENSITY – Residents in Pinecrest & South Dade DO NOT want High Density. We want to control our own Zoning, our Growth, & we expect the County to respect our quality of life.
