

On-Site Support Daily Routine

Subject to change based on need

- Upon arrival: Health check, attendance, masks worn
- Students assemble with their assigned cohort (must remain with cohort for the day) and are limited to specific areas of the assigned building.
- Services and resources provided to meet critical needs (Online Curriculum and special services). Students will be expected to do their courses in a self-directed manner similar to the long-distance learning student schedule.
- Breakfast, Snacks and Lunch provided using the same schedule as long-distance learning.
- Dismissal window: Parent pick-up. Southgate Academy will strictly enforce a ten-minute pick-up window. Violations will be dropped from the on-site support service.
- No campus visitors

Health and Safety

Hand hygiene

- Frequent hand washing will be encouraged at regular intervals throughout the day.

Face masks

- Face masks are required of all students and staff.

Physical distancing

- Students will be grouped to maintain appropriate physical distancing.
- During lunch, students will practice physical distancing by staying in their assigned areas.

Visitors on campus

- Only essential personnel will be permitted on the campus. No visitors, including parents/guardians, will be allowed to enter the campus beyond the modular. If a family member must pick-up a sick child, a face mask is required.

Signage

- Signage will be posted and visible throughout the campus.

Cleaning & Disinfection

- Since COVID-19 spreads primarily through respiratory droplets, our strategies for infection prevention will center around face masks, hand hygiene, sanitizer, and physical distancing.
- Cleaning will be performed daily per established protocols followed by disinfection.
- Bathrooms will receive frequent cleaning and disinfection.
- Southgate will provide a water bottle daily.
- Shared technology will be disinfected frequently.
- Handwashing or hand sanitizing will be promoted before and after touching any shared equipment.
