## Instructions for the Friday On-Site Program, if needed

**2021-2022**

Beginning January 7, 2022, our calendar has been revised to reflect “Gator Home Learning” every Friday & during Intersession. However, Southgate Academy will provide On-Site services and the After School Title I Academic Program for families in need of a place for students to work online with their teachers. The program is supervised by support staff to facilitate the learning and computer work.

Start Date: 1/7/22

Program Days: Fridays **(7:30 am -12:30 pm)** & After School Title I Academic Program **(12:30 pm – 4:00 pm)**

Intersession Week: 3/14/22 – 3/18/22 **(7:30 -12:30 pm)** & After School Title I Academic Program **(12:30 – 4:00 pm)**

Academic Focus: The primary focus of this program is for students who need a place to work remotely with their teacher through the google classroom, online curriculum, intervention programs and complete projects/packets that support the academic standards. The program is facilitated by support staff. Teaching staff will be available through the Google Classroom and Google Meets.

After-school teachers and paraprofessionals assist students with homework, work on academic projects to close learning gaps, provide interventions and introduce new and upcoming academic topics to intrigue students and create additional background knowledge.

Transportation will be provided during school hours **only**. Authorized contact/parent pick up only!
