

## Southgate Academy – Safe Return to In-Person Plan

CDC Safety Recommendations	Has the LEA Adopted a Policy? (Y/N)	Describe LEA Policy:
Universal and correct wearing of masks	Y	Pima County 2022-2023 School Year COVID-19 Recommendations for K-12 Schools  All staff and students 5 years or older are strongly encouraged to wear masks indoors unless medical or developmental conditions prohibit their use regular wear masks when outdoors. The CDC recommends that people who are not fully vaccinated wear a mask in crowded outdoor settings or during activities that involve sustained close contact with other people who are not fully vaccinated. Click on the link for CDC recommendation of what prevention steps to take for face covering based on the latest data for your family. Pima County is currently in substantial COVID-19 transmission. (CDC, 2021).
Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)	Y	We have modified our facility by adding plexiglass barriers and floor stickers to promote social distancing. Teachers and Support Staff members are required to maintain a distance of at least 3-6 feet between individuals unless this is not physically possible. Student safety is priority so if a situation arises that requires a staff member to touch a student or another staff member (for instance, if a student has a physical emergency, or requires a two-person restraint) call a staff member. Then, resume social distancing as soon as safely possible, wash your hands, and disinfect any surfaces that may have been touched
Handwashing and respiratory etiquette	У	All students are required to wash their hands with soap and water for at least 20 seconds, or use hand sanitizer with at least 60% alcohol at the following times:  • upon arrival at school (use hand sanitizer if there is no sink in the classroom),  • after being outside for physical activity,  • before and after lunch,  • prior to leaving school for home, and  • after sneezing, coughing, or blowing nose.

## Southgate Academy – Safe Return to In-Person Plan

Cleaning and maintaining healthy facilities, including improving ventilation	Y	Classroom Teachers and Support staff have received written procedures outlining the daily cleaning tasks and disinfecting high frequently touched surfaces in classroom and work areas. Time will be allotted in daily schedules to ensure door handles, sink handles, drinking fountains, desks, and learning tools will be cleaned and any other shared items will be cleaned between uses by groups of students. All staff is expected to clean and disinfect workspaces when they arrive at work and just before leaving work. Janitorial staff have schedules for increased cleaning of surfaces and bathrooms throughout the day.
Contact tracing in combination with isolation	Υ	Protocols provided by the local health
and quarantine, in collaboration with the		department will be followed by our
State, local, territorial, or Tribal health departments		administrative staff for COVID-19. We are using the current guidance from Pima County School
departments		COVID-19 Response Toolkit for K-12 Schools.
Diagnostic and screening testing	Υ	Our school refers staff and families to local
		medical facilities for diagnostic testing and
		screening. Pima County offers free COVID-
		19 testing. students are encouraged to schedule their free COVID-19 testing. For
		eligibility information:
		You CAN get tested for free:
		With or without symptoms of COVID-19
		Without a referral for a doctor
		You CANNOT get tested for free:
		If your testing is needed for     cocupational or work required reasons
		<ul> <li>occupational or work-required reasons</li> <li>You have had a COVID-19 test</li> </ul>
		administered at a Pima County site
		within the last 14 days
Efforts to provide vaccinations to school	Υ	Partnership local Health Clinic

## Southgate Academy – Safe Return to In-Person Plan

Social, Emotional and Mental Health Need Staff	District Employee Health benefits including mental health and counseling services that are available with their insurance plans. The staff has additional resources offered through our local communities on our website for mental health wellness with National Alliance on	
	Mental Health NAMI and Connection AZ. Courses for Social Emotional Learning and Trauma Sensitive Schools along with its	
	resources have been provided to all staff through a miniseries of	
	seminars by Arizona Department of ED.	
Staff Safety Needs	All staff are <u>strongly encouraged</u> to wear face coverings while on school campus. Employees have a single point of entry in each building while at the campus. Every employee without exception is required to enter only through this point and have their temperature recorded daily. Additionally, a sign-in sheet is required to screen employees with questions in regard to COVID-19 exposure or symptoms at the beginning of each day.	
Date of Revision	July 19, 2022	
Public Input		
Describe the process used to seek public	The School Leadership Team reviewed the plan to revise and discuss the	
input, and how that input was taken into account in the revision of the plan:	current conditions in the community at June 16, 2022 Leadership Team meeting.	
	The updated Safe Return to In-Person Instruction and Continuity of Service Plan is posted on the school's webpage. Any revisions made to the plan will be made and reposted on the district's website for community access and to give Public input by clicking on Contact us or call directly Sylvia Calmelat, Superintendent directly at 520-741-7900.
