March 11, 2021

Dear Southgate Families,

Governor Ducey issued an updated Executive Order on March 3, 2021 mandating all schools to begin in-person learning. However, parents can choose either in person or virtual instruction. Southgate is prepared for both. Therefore, we will no longer offer part-time in-person learning (Option 1 & 2) beginning March 22<sup>nd</sup>. Families will need to choose either full time in person learning or full time virtual instruction **for the remainder of the school year.**

In Person Learning (Presently Option 3)

Distance Learning (Presently Option 4)

**Options 1 & 2 will no longer be available**

If your student is currently enrolled in Option 3 or 4 and you would like to continue with this option, no action is required.

If you would like to change your option or if you currently have Option 1 or 2 you will need to go to the website, fill out the online form, and submit it by 3/17.

If no option is submitted by the requested due date, option 4 (Distance Learning) will be automatically assigned.

Southgate Academy will follow all necessary guidance from the Pima County Health Department to ensure the safety and well-being of our students/staff and do our best to “maximize the physical distancing protocols to the greatest extent possible” (Ducey, Executive Order 2021-04).

If you have any questions or concerns, please feel free to contact your child’s Principal.

Sincerely,

Southgate Academy Administrative Team
