## Model of Service

As a rural model for serving locally, wrap-around services help to reduce barriers and promote personal health and community well-being. Collaborative partnerships with individuals, agencies and organizations both inside and outside the community form the pillars of this work.

Services are offered in a region comprising of Alix, Bashaw, Buffalo Lake Estates, Donalds, Dorenlee, Edberg, Ferintosh, Meeting Creek, Mirror, Pelican Point and Tees. Bashaw is a natural hub in the geographic area and the Village of Alix is the second largest center. These communities are a part of a broad vision to bring responsive and accessible programs and services to a rural population.
