

Stage Shoes for *The Little Prince*
**Please try to order as soon as possible so students
can break shoes in during rehearsals.**

Moore Theatrics will likely have character shoes that are needed for Named Cast, however our ensembles will be wearing either jazz or ballet shoes, and our stock of shoes have been used many years and is quite low. If your student is in the following ensembles, it would be best that they have their own personal shoes that they can use for this production and future rehearsals during the year. [Refer to these links for style, color, and purchasing if you choose. They will likely have the sizes needed in both child and adult sizes.](#) Other local options for purchasing would be Spell's Dancewear in The Nations (708 51st Ave. Nashville) or thrift stores (Goodwill, Music City Thrift, Thriftsmart, Southern Thrift). You may choose to purchase a different brand or from Amazon, but choose the same style and color. Dance shoes tend to run small and should fit snug without extra room, but they should also be comfortable. Consider donating any outgrown dance shoes to Moore Theatrics so we can have an extra supply for needs. Students will have a shoe pouch at school labeled with their name to store shoes during rehearsals and performances. **Please label the inside of each shoe with your student's first and last name before bringing shoes to the stage. Masking tape and sharpie works well for this.** If your student already has the specific shoe for their ensemble, there is no need to purchase new ones.
