Win up to £25,000 and support our cause with **unity**

Every week you have the chance to win the £25,000 **Unity** jackpot plus many other fantastic cash prizes, and at the same time you're helping us raise funds to support our work. The more people play the more money we receive, so we need your support. For every £1 entry - at least 50p comes directly to us as profit.

How it works

The draw takes place every Friday and each entry costs just £1. When you join our lottery you're allocated your own 6-digit **Unity** lottery number. A random winning number is drawn - the aim is to match the winning number.

IF YOU MATCH...

- 6 digits you'll win £25,000**
- 5 digits you'll win £1,000**
- 4 digits you'll win £25**
- 3 digits you'll win 5 Entries into the Next Draw**

A match occurs if your digits are in the same place in the sequence as they are in the winning number...

EXAMPLE

325764 - random winning number
326574 - your lottery number
 [This is a 3-number match, winning 5 entries into the next draw]

All winners are notified by post or email; cash prizes are paid into your bank or posted by cheque and prize entries are entered automatically into the next draw, so you can't miss out!
