

COMMUNITY GUIDELINES

Last updated May 10, 2023

Welcome to the Atlas Eron community!

Our goal is to spread happiness and foster creativity. To make sure everyone has a delightful experience within the Atlas Eron community, please adhere to all relevant laws and respect the rights of individuals and communities globally when using the Atlas Eron apps and services. These Community Guidelines outline the rules you should follow while using the Atlas Eron App and our services. Remember that Atlas Eron reserves the right to investigate and take appropriate action, such as removing content; suspending a user's access to services; deleting, blocking, or banning an account or server; and reporting to relevant public authorities, in case of a violation of our Community Guidelines.

Abide by the law

Atlas Eron strives to establish a secure environment where laws are respected. Please refrain from engaging in any activity or producing content that breaches any applicable national, federal, state, local, or international law or regulation. Content endorsing, glorifying, supporting, or suggesting illegal activities is strictly forbidden. This encompasses content promoting or enabling:

- acts of terrorism or other forms of crimes against humanity;
- human exploitation;
- possession, use, and trade of drugs, firearms, or other controlled substances, and other forms of trafficking;
- crimes against individuals and animals (e.g., homicide, assault, rape, kidnapping, domestic abuse);
- crimes against property (e.g., property damage, vandalism, theft, robbery, shoplifting).

Protecting Minors

Creating content that exploits, harms, or threatens to exploit or harm a minor, or has the intent or effect of exploiting or harming a minor, is strictly prohibited. We have zero tolerance for content that sexually, pornographically, or violently describes a child. We will remove such content and the associated account and report it to the relevant public authorities.

Content Safety

Atlas Eron aims to provide a safe space for everyone. We do not permit the use of our services to create content that portrays pornography, nudity, sexual imagery, sexual organs, sexual intercourse, sexual services, genitals, or intimate images. We strictly forbid the creation of any gore content, including depictions of violence, blood, disfigured or severed body parts of humans and animals, and so on.

Misinformation and harmful content

Atlas Eron is not a platform for sharing harmful content or misinformation. Misinformation refers to content that is false, inaccurate, or misleading. The creation or distribution of false, inaccurate, or misleading information and/or content intended to harm others or posing a risk of harming others is not permitted on Atlas Eron. Some non-exhaustive examples include:

- medical advice and interpretation of medical results; e.g., anti-vaccination advice, deceptive health claims that can endanger public health;
- conspiracy theories or theories originating from disinformation campaigns;
- content that may be used to influence political processes, campaigns, or manipulate election integrity, such as election fraud, ballot tampering, election rigging, vote tallying, false, inaccurate or misleading information about voting and election processes (e.g., ballots, voting locations);
- false, inaccurate, or misleading information about natural disasters or other emergencies;
- misinformation that incites hate, prejudice, anger, or fear.

We do not permit the creation or sharing of content intended for use in the administration of justice, law enforcement, immigration, or asylum processes, including predicting an individual's involvement in fraud or crime (such as text profiling, drawing causal relationships between assertions made in documents, indiscriminate and arbitrarily targeted use).

Harassment

Atlas Eron is not a platform for harassment of any kind. We do not permit any content that is defamatory, insulting, indecent, offensive, profane, disparaging, or otherwise harassing to others.

This encompasses personal attacks, name-calling, trolling, profanity, sexual objectification, and content intended to shame or degrade others (such as body-shaming, ridiculing people for their sexual practices, or mocking individuals suffering from depression).

Hateful behavior

Atlas Eron embraces a diverse community and has zero tolerance for hateful behavior. We strictly prohibit:

- any content that encourages, promotes, or glorifies violence, discrimination, defamation; or
- any content that targets, harms, or threatens individuals or specific groups based on their race, ethnicity, nationality, religion, color, immigration status, gender, sex, sexual orientation, age, medical condition, or any other social, physical, or mental characteristics (such as content using symbols of hateful ideologies, illustrations of negative stereotypes, or employing derogatory words or claims of supremacy to encourage, promote, or glorify hateful behavior).

Atlas Eron is not a platform for creating or sharing content intended to discriminate against or harm individuals or groups based on their online or offline social behavior or known or predicted personality traits.

Self-harm

Do not create or distribute any content that encourages, promotes, or glorifies self-harm. This includes:

- suicide;
- eating disorders such as anorexia or bulimia;
- self-inflicted injuries or
- other forms of self-harm.

The Atlas Eron App cannot be used to create content that threatens self-harm as a means of manipulation or coercion.

Privacy protection

We value privacy protection and do not allow the creation or distribution of content that infringes on people's privacy or reveals personal information or personally identifiable information without consent. A non-exhaustive list of examples includes:

- ID information,
- private addresses,
- individuals' medical information,
- photographs or images of people,
- social profile information (such as usernames, passwords).

Intellectual Property Rights and Other Rights

Atlas Eron is committed to safeguarding intellectual property rights and other personal rights. Do not create or distribute content that infringes on anyone's intellectual property rights (such as copyrights or trademarks). We do not allow content that violates, threatens to violate, or otherwise negatively impacts individuals' personal rights or creates or alters a binding, enforceable obligation. If you encounter content or a user you believe may violate our Community Guidelines, please report it to us at info@atlaseron.com. Also feel free to contact our support team at the same address if you have questions about our Community Guidelines.

These guidelines will be updated periodically. Thank you for helping us maintain Atlas Eron as a safe and thriving platform that everyone can enjoy.
