and what you are bringing by July 3rd!*

*The generous donations are always a HUGE help & VERY much  
appreciated! Thank you so much! Once again because of the growing  
number of people attending, we would like to ask for a SMALL donation to  
help off-set the costs of putting on the BBQ. We will have a donation jar  
available, all donations will be anonymous & totally voluntary. If this is  
not possible, PLEASE come anyway! We don't want to put an "admission  
price" on this---just asking for a little help if possible!*
