

March to the Sound of different

The United States Marine Drum and Bugle Corp bestowed a great honor on Warren High when they delighted our student body with their fancy footwork and precision routines. Each year, only two schools in California are so honored. This Drum and Bugle Corp, along with the Silent Drill Team, are the President's own, and they have traveled internationally performing for amazed and privileged audiences. While the band played on, the talented drill team performed exercises using guns with bayonettes where exact timing and steady skill are required. All those who witnessed this great event, will retain that memory forever.

Hillbilly's Ho-Down

The annual "Sadie Hawkins Dance", sponsored by Letterwomen's Club was held Friday, March 14. The dance had the largest turn out ever, topped off by another first of two bands, "Crystal Ship" and "Shady Oak". Marryin' Sam (Wayne Wolfsburger) was kept very busy throughout the evening by the continuing fluctuations of eager couples. Contests were held for the Best Dressed Couple and King and Queen of Dogpatch were crowned. The outfits were both unusual and creative and the bands kept the dance hoppin'. Congratulations go to the Letterwomen's Club for giving the best Sadies ever.

Girls' League made the supreme effort of outward friendship by joining with Downey High in presenting the "Dating Game". Students from both schools crowded the Downey Theatre to see the unbelievable event. There was a pep talk from both announcers, and then the show began. There were four dating games, two with Downey guys, and two with Warren guys. Though the Warren girls were smiling, happiness in winning could only be measured after the date. Between dates there were commercials by a terrific comedy team who did a take-off on an old "Lone Ranger" radio routine and a couple of other hilarious skits. The sterling voice of MC Mike Coppenger accented the evening and helped to make the show a success.

Feeling shown through Mind of Dancer

Modern Dance was developed for girls at Warren to have a better understanding and actual experience of modern dancing. The girls form together in groups to choreograph the dances to fit their music, whether it be flowing arms and legs to subtle music or lunges and kicks to the hard rock beat, each is unique in its own way. Modern Dance teaches people to transmit by dancing their feelings to the audience. Besides setting up a show for Open House, each year the Dance Department puts on a Dance Show, under the direction of Miss Sally Carmen. Money made off of this effort is used to buy new dance equipment for the classes. This year the girls have proven to be a valuable asset.

1. Judy Chlarson and Carolyn Ingwersen display a dynamic position-Carolyn you have a run in your tights. 2. Suki executing a Pelvic Lift. 3. Tina Bell and Suki Hutton attempting one of the more difficult positions of modern dance.

ATHLETICS ATHLETICS

ATHLETICS

When the offensive quarterback barks out his signals and the final hike is uttered, the two opposing teams clash as two rams in battle.

The milers are poised at the starting line, the gun sounds and they start out as gracefully as finely trained thoroughbreds out of the starting gate.

The whistle sounds and the wrestlers start in as two wild cats fighting over a catch.

Following the instincts of nature, athletes fight to be number one.

... And then came Friday night

For the third time in Warren's history, our Varsity Football team went to the CIF finals out of a three way tie for second with Lynwood and Downey.

Warren's strong running offense is headed by Captain Eric Hipple, Quarterback, who rushed 562 yards for 12 touchdowns along with Duncan Barber rushing for 581 yards and 5 touch downs. Clark Wilmoth was second in scoring for the team with 6 touchdowns. Even though his effort did not place him high scorer on the team, a great percentage of Duncan Barber's yardage put the team in scoring position.

Even though individuals stand out as great, team work stands out as the force that really produces a winning team.

Sophomores take S.G.V.L. by surprise

The future of Warren's football team looks better for the next year than it has ever looked before. To see this you only have to look at this year's sophomore team. This team showed the true Warren spirit, for after losing their non-league games, these first year Bears came back to finish as the undefeated league champs.

The closest these Bears came to losing was against Paramount when the score was 0-0 in the fourth quarter and Paramount scored for six points. With twenty-one seconds left the sophomores scored a touchdown and an extra point to win the game 7-6. Two weeks later these first year Bears showed the Downey Ducks that you don't rowdy around with Bears no matter how young.

Outstanding results from a first year try

Not only was Coach Richardson new to the school, but also to the Freshmen Football team. This first year team came in fifth in league play with shutouts against LaMirada and Bellflower.

Even though these young bears placed fifth in the league they were the second highest scoring and had the second best defense in their league.

Volleyball and Tennis:

Many hours of hard work were put in by the volleyball teams. Backed up by the coaching and inspiration of the coaches: Miss Cairns (Varsity Volleyball) and Mrs. Roche (Junior Varsity Volleyball), the teams practiced to develop coordination and teamwork. Although the teams did not place high in the League, their devotion and hard work placed them among the top athletes. Top players were: (Varsity) Carla Moeller, Most Valuable Player; Margaret Fitzsimmons, Most Improved Player; (Junior Varsity) Karen Garvey, Most Valuable Player, and Renee Binette, "Go Getter."

1. Captain Madalyn Shabla demonstrates the skill of a true leader. 2. Gail Patin warms up for another game. 3. Diane Garvey shows why she was the second highest scorer on the Varsity team. 4. Winning and losing are close companions

The Girls Varsity Tennis Team coached by our Miss Carman, fought their way to a third place position in the newly organized C.I.F. League. Losing their first two matches against the strong teams of Bellflower and La Mirada, they came back in the true tradition of Warren High to win seven out of eight matches. Led by the Most Valuable Players: Marla Sheehan, a Junior, with a record of nine wins and two losses; and Eric Hirsch, a Sophomore, with eight wins and one loss, insures a strong team for next season. Helen Medeiros, was voted Most Inspirational and awarded the "Sparkplug" trophy at the joint Volleyball/Tennis Awards Banquet held on November 21st. The team captain was Carolyn Griffiths and Nicky Bartolic was manager. We are proud of these Bears who have worked hard and done great!

The Junior Varsity Tennis Team earned a third place position in C.I.F. League standings with a record of seven wins and five losses. Losing the first two matches, the J.V.'s rallied back to win seven out of the remaining ten matches. Outstanding players: number one singles, Jane Sevier, a Senior, with a nine wins and two losses record, who was also unanimously voted Most Valuable Player; number one doubles Dana Kriskovic and Sylvia Garcia, both Juniors, with a nine wins and one loss record, with Sylvia Garcia voted The Most Improved Player. Our J.V.'s worked hard at after school practices behind the coaching of Miss Eisenberg. The captain was Colleen McPhearson and the manager was Nicky Bartolic. We have great hopes for the J.V. team because today's J.V.'s are tomorrow's Varsity!

Because of two teams dropping from the league, the S.G.V.L. Waterpolo season was eliminated from the calendar, so our poloists went free lance for a season. As a result the team played a larger variety of teams from higher ranked schools. These schools were up there with Downey's No. 1 polo team.

Sophomore, Kutzke, takes first in league

The year that was to be a building year, because a number of the team graduated, turned out to be a year of great success, with the Varsity taking second in league. The reason for this, according to Coach Kiefer, was the development of the returning runners and the new Sophomores and Freshman, like Ron Kutzke who finished first in league finals with a two mile time of 9 minutes and 51 seconds.

The JV's took their second championship in a row when they tied for first with Bellflower. Dan DeLaCruz led the JV's to their championship by finishing first in league finals.

Next year promises to be one of the best yet with this years JV's taking first and only three runners graduating.

While Spirit Kept Alive in '75

The 1974-75 Varsity Basketball team had a truly bouncing season. Injuries and illness cost the team some victories. Highlights of the season were a thrilling two point loss to Downey in the last second at Corritos, dual sweeping victories over Norwalk and Bellflower, and a vital team effort throughout the game to defeat previously undefeated Lynwood. The Lynwood win was a spark in a fighting season for the Bears. As stated by Coach Young "I really liked the adversity we showed in that game. We never gave up. It was truly a team effort." In preleague play the Bears placed 3rd in the Huntington Beach tourney, defeating highly ranked Edison and Huntington Beach. Seniors Bob Howard, Terry Beattie, Mark Mullenix, and Alan Pemberton were outstanding for the Bears, while Juniors Jim Klunder, Brian Lumsden, and Jeff Korbett bring great hopes for next years team, one that will truly be full of expectations. The remainder of the team including Doug Scott, Kevin Olay, Gary Vedenoff, Russ Winokur, and Kevin Rysavy helped put forth traditional team effort for the Bears.

Jay Vees Untouched in League

The Warren JV's finished the season with a 24 win, 2 loss overall record. The losses were by one point, 43 to 42 to Mayfair and 48 to 47 to Huntington Beach. In league the young Bears finished with a perfect record; 14 wins, 0 losses, and San Gabriel League Champions. They won their last 15 games in a row. Over the year they won the Warren JV Classic, Consolation Champions Huntington Beach Tournament, and 2nd place Mayfair Classic. Their record and play established them as the best JV Team in Warren's history.

Defense and hustle were the key for the young bears. Their full control pressure and running game was displayed as they rolled over opponent after opponent. Mark Mullane, the only super sophomore, averaged 17 points a game to lead the Bears. Mark is a future great. Marty Meador and Gordie Berg are two of the same kind with quick hands and a tough defense. Marty broke the JV assist record per game and season. Berg broke the steal record. Chris Carter and Chris Marsh, the other 2 starters tough defensive players, are both much improved. Marsh has potential as a tremendous jumper and hook shot man.

To go along with this, the young Bears had a strong, quick bench in Howard "Flash" McWilliams, John Howard, Bill Neushaffer, Jack Pelton, Dave Prange, and Gary Haynes.

In summary, the team's success resulted from excellent shot range and movement to basket, good poise and drive, superior pressure defense with excellent hustle, and never giving up on themselves.

Sophomores literally sweep through League, bringing second S.G.V.L. championship to their class

Frosh finish 3rd

Dedication is the reason for such a winning Sophomore team. Every member is important because no first stringer is any tougher than his practice mate. This dedication brought the Sophs an 8 and 5 pre-league record with such showings as 3rd place in the Millikan Tournament with Gerry "Jolly" McCarthy and Alex Radetzky being all-tourney and the consolation championship in the B.G. J.V. Tournament with Scott Vernoy being selected All-Tourney.

The Bears soon enough showed the S.G.V.L. what Warren was made of. Warren swept through its games during the season with only one stop a 52-48 loss to Paramount but soon after Warren came back to trounce the Pirates 64-49 in the re-match. Highlights were sound thrashings of the Ducks and the high game of 102-42 against Bellflower. The Bears were led by M.V.P. Gerry McCarthy. Co-Captains were Jim Uranga, Frank Watson, and Scott Vernoy. Vernoy and Alex Radetzky being only freshman, give Warren much hope in the remaining years. Helping out in the backcourt were Mark McClure, Mark Guastella, and Brad Hinds. The players that didn't see as much action would have easily started for any other team in the league. This has been the second league championship for the sophomore class, one that brings a bright light to Warren athletics.

The Sophs season record was 21 wins and 4 losses and a league record of 13 wins and 1 loss. The Sophs were a strong team scoring 1601 points to their opponents 1094 which gives the team an average of 64 points per game to the opponents 44. The team has lead in offense by Jerry McCarthy who scored 393 season points for a 15.7 point per game average, followed by Alex Radetzky with 323 season points for a 12.9 point per game average. Scott Vernoy was third in scoring with an average of 10.7 points per game and lead the team in total rebounding. Jim Uranga was fourth in scoring with 9 points per game and was second in total rebounding.

Freshman Basketball was one of the newest sports at Warren. These mighty Bears went along with tradition fighting and scraping for every game and coming up with a third place showing in league. Coach Wayne Wolfsburger's team was led by Dennis Gjesdal, Jim Eubanks, Jerry Hooton, Robert DeSchepper, Steven Gifferd, and Dennis Barker. Others included Roy Cain, Brad Ditto, Bob Miller, and Kyle Rysavy.

This years Wrestling team did a fine job and the Varsity Squad wrapped up the season with a 4-3 record. With six returning letterman, four of which were injured on and off during the season, the Bear Grapplers are in a building year. Coaches Cunningham and Dunaway commended returning Captain Duncan Barber, 135 lbs., as he placed 2nd in two tournaments. Ron Warren at 145 lbs., 16-2 record, also led Warren to many victories and a place winner at 2 tournaments. Mark Taylor, Naro Negrete, Rudy Herrera, Mark English, Dwane Henry, Jeff McCaughan, Dana Skeggs, Cary Midtbo and Steve Mahr also did a fine job.

The JV squad, record 6-1 are Co-Champions of the San Gabriel League and some outstanding members will be returning. Sophomore Bob Johnson, Freshman Lance Davenport and Junior Bart Kriek were undefeated in league. Many other fine wrestlers, Mel Ready, Dave Campbell, Guy Huft and John St. Germain along with the whole squad should do a tremendous job in the future. The whole squad is responsible for the championship and all should be commended.

Defending League Champs make good showing

Leadership and determination are qualities not only of a good coach but also of his players. These are the qualities that Coach Kiefer instills in his team of winning cindermen. The Varsity is very strong with many returning lettermen from the first place team of the S.G.V.L., Hopeful to obtain first place this year. On Thursday, April 3, Senior Jeff Clingan broke his own school triple jump record of 45'1" with a tremendous effort of 47' 1/4". This is one of the highest if not the highest marks in CIF history.
