Dear Parents and Guardians:

The time has come to register your child with us at Nativity Lutheran Preschool for the 2024-2025 school year. Nativity is open from 7:30AM-5PM. We are a BRIGHTWHEEL school which offers you to stay in touch with your child's busy day through a "feed" on the free app. You will also be able to sign in and out digitally, receive messages and reminders and send messages directly to the teaching staff. We can send individual and class specific communication as well as preschool wide announcements. Auto pay is a breeze, allowing for ACH bank drafts (free) as well as credit cards (fees apply)

Please tell a friend. Nativity's Preschool has the highest "School Readiness" rate in the area. Tours are given every Thursday morning at 10 am. We are looking forward to growing even further with the new classroom space. You can also call or e-mail to schedule a tour at a time convenient to you.

Attached you will find the registration form and tuition schedule. A minimal increase has been made to the tuition across board. Rising cost of all goods and services made us raise the tuition in average by \$23 per week.

Your VPK certificate needs to be obtained online at elcpalmbeach.org. Registrations are taken on a first come first serve basis and all openings are available to the public.

As a parent I join you in the hopes and prayers we have for our children. We pray for them to grow strong: spiritually, physically and academically. We pray for them to achieve great things with confidence, knowledge and joy. Nativity Lutheran Preschool strives to meet these prayers in a safe and nurturing environment, filled with attainable challenges.
