NEWSLETTER OF NATIVITY LUTHERAN CHURCH & SCHOOL
PALM BEACH GARDENS, FLORIDA

WORDS FROM

Pastor Steve

Hi Good People!

I am writing this month's newsletter from my room at the Conference on Ministry (COM) in the town of Howey-in-the-Hills (just northwest of Orlando). Yes, that is the name of the town. COM is the yearly meeting of the pastors and deacons in the Florida Bahamas Synod. We worship, reconnect with friends, make new ones, network, learn from one another, and just share in the life of ministry.

There is always a keynote speaker that presents on topics that can hopefully be readily applied to a congregation's church life. This year retired Professor of New Testament and prolific book writer Dr. Mark Allan Powell's presentation was Pursuing Peace and Encouraging Others (Romans 14:19). At the time of me writing this newsletter, Dr. Powell had managed to say many thought provoking and inspiring one-liners and statements. I jotted down a few that tickled my mind, heart and soul and want to share with you. Ponder each thought and or scripture as a devotion.

"Anytime we have multiple encounters with someone, it is an opportunity for a relationship." -Mark Allan Powell

Who do you encounter often but don't yet have a meaningful relationship with?

"Evangelism is changing people's assumptions about God and God's people." -Mark Allan Powell

What assumptions about any of God's persons or communities of people are you being challenged to think differently about?

On how to live our lives as a child created in God's image... "We don't get a checklist of what to do, but an image of what to be." Mark Allan Powell

Despite God creating you to be what you are, what do you find yourself doing, and why?

"The unity of the church is not an idea to be realized, but a fact to be recognized." Mark Allan Powell

On the Apostle Paul's assertion in Romans 12:5...so we, who are many, are one body in Christ, and individually we are members of one another.

John 15:5 I am the vine, you are the branches.

"The branches job is to receive what the vine wants to give." Mark Allan Powell

Do and be what Jesus gives us! Faith, Hope and Love!

In His Peace and Encouragement,

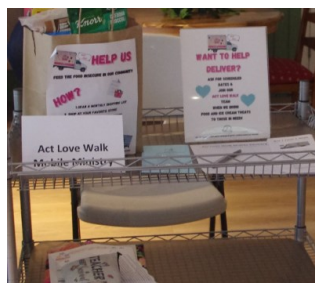

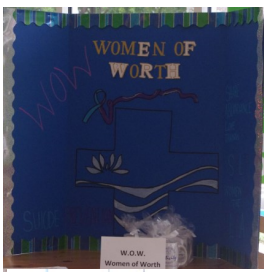

Pastor Steve

BAPTISM

Nativity celebrated a baptism September 21, 2025. Emera Bryson, born January 10th was joined with her big sister Carys and parents Audra and Rodney Bryson along with many family members and friends.

A MINISTRY FAIR WAS HELD 9/21

MEN'S GROUP

Following worship on Sunday 10/5 the men of Nativity are encouraged to meet in the sanctuary and discuss getting a men's group up and running. Bring your ideas!

THANK YOU!

Thank you to all the wonderful members that donated towards a bonus for me. Your generosity was most appreciated!

Kari Donnelly, Office Manager

SPENDING PLAN MEETING & CHURCH COUNCIL MEMBER VOTE

Calling all voting members of Nativity, your church council will have two vacant seats available after the first of the year. New council members will be presented and voted in at the October 26th Spending Plan Meeting for 2026. Council terms are two years in length. Your Nativity leadership asks that you prayerfully discern your gifts for leadership. Please contact Breanne Johnsen, Sharon Speckmann of the nominating committee to learn more about what a commitment to council entails. In the meantime, let's give a huge thank you to Shonda Staudt and Denise Varlack for their service to Nativity and Christ's church! Please be sure to join us on the 26th for this meeting following worship.

BECAUSE OF GOD'S GREAT MERCY: A STEWARDSHIP PROGRAM FOR NATIVITY

Good People, In recent weeks you have received emails, and a letter about our "Because of God's Great Mercy" stewardship program. In the last couple weeks you were mailed a letter, along with your year to date giving statement, and an offering/commitment card. A filled out offering/commitment card is beneficial in helping us prepare Nativity's spending plan for 2026. If you have not submitted a commitment/pledge card as of yet, please consider doing so. Commitment/pledge cards can be found on the hutch in the Family Room. You can also call in or email your information to 561-622-4998 or kari@pbnativity.com. Thank you!

ACT LOVE WALK

Read more to learn how to support this ministry...

- Continue to bring in non-perishable foods for the food pantry. See shopping list insert.
- Mark your calendars for 11/1 and/or 11/2 to help serve the food insecure guests of our local motel communities.

Act Love Walk is based on the biblical principles of Micah 6:8 ALW is the mission outreach of Nativity. From this truck we bring the love of God to the food insecure, support justice initiatives, and create community around ice cream! ! Interested in Act Love Walk? You are encouraged to join us at 5:45PM on Tuesdays to plan, strategize and to organize the pantry. Contact Mike Moore at mtmoore1313@gmail.com, or Pastor Steve at pastor@pbnativity.com for more information.

Food items can be dropped off between 9 and 5PM M-F in the designated space by the church office.

THRIVENT CAUSE KITS

If you have utilized your Thrivent Action Teams, there is another way to give back! You can have a "Thrivent Cause Kit" sent to your home, choosing a water filter or solar lamp kit to help others without access to clean water or electricity. The kits come with easy-to-follow assembly directions, tools needed and a return-address label/box. You can assemble these kits at home, or bring your kit to church so it can be assembled after service during fellowship time. You are able to order one Cause Kit each year. If you need help ordering your kit, please see Amy Winsor.

BIBLE, BITES AND BREW BIBLE STUDY

Bible Study will meet on Tuesdays from 9:30-10:30. A time of faith, fellowship and the preaching text for the coming Sunday. Everyone is welcome.

CHILDREN'S CHURCH

Children 4th grade and under are invited to children's church for biblical instruction and fun Sunday mornings. Drop your child off in the last classroom on the right before the breezeway as early as 8:50. Join us for worship at 9am and then please pick your child up following worship. If you would like to sign up to lead or assist a children's church, please use the code here.

THRIVENT MEMBERS

If you are a Thrivent member and have not used your Action Team cards, please contact Kari in the church office. You have two a year that can be used for both sandwich making ministries or for a fundraiser of your choosing.

CHURCH BUILDING REPAIRS

The code corrections mandated by the city have all been done. Nativity's building and grounds are almost 63 years old and in constant state of needed fixes and updates. We are currently getting quotes on our roof and you can see numerous areas around the living room and sanctuary that leak when it rains.

DONATE THROUGH PAYPAL LINK TO THE RIGHT. THANK YOU FOR YOUR LOVE AND SUPPORT OF NATIVITY.

TAKE HOME SANDWICH MAKING

We supply the ingredients. You make the sandwiches at home and return them to church. We deliver them to the food insecure of our community. Questions? Contact Linda Roehl at 561-493-8873. Use QR code to sign up online. Next event is August 7 & 8. Pickup is going to be between 11am-4pm the Thursday before a second Saturday. Drop off will be the next day, Friday, between 9am-3:30pm.

Women of the ELCA

WOW IN OCTOBER

It is a tradition that churches attending the Gathering make something to share. Women of Worth (WOW) will be making prayer necklaces (or a Lutheran rosary).

Shonda will have the sheath of fabric sewn ahead of time. We need ladies to come and put beads and rubber bands in/on these to make the necklaces. Then, when you pray, you can turn your necklace around and pray.

We will meet Thursday, October 9th from 6:30-8:30pm. Please bring \$5 for pizza dinner. Bring another \$5 for our offering. We will collect \$5 at each meeting to give us a beginning to our fund so that as things come up throughout the year, we have money to draw from.

Family Newsletter

THIS MONTH'S THEME

Down on the Farm

This month, your child will learn all about life Down on the Farm! Your child will get to know chickens, pigs, sheep, horses and more. They will have fun practicing the sounds the animals make and learning about the food they eat. Your child will explore the different jobs that farmers do, like planting and harvesting crops, feeding and rounding up the animals and driving a tractor to plow the fields. They will even plant their own seeds and watch them grow! Discuss your child's creative process when they bring home an array of barnyard art projects. It is an action-packed month of animals, farming, food and fun that your child is sure to remember!

Look for the daily notes about your child's art projects!

Today I designed a pet cow.

First I got to decide how my cow should look. I chose how to decorate it, using my fingerprints. It was fun to add wiggly eyes! Then I attached two chopsticks for legs. When my cow was finished, I pretended to be a cow for it to live.

Today I made a pig nose.

I made a wearable pig's nose using yarn and a cup. I colored the pink cup like a pig's nose. When I was done, I pretended to be a pig and used my "nose" to move objects.

ASK ME: When did you enjoy doing this art project? What did you learn about how a pig's nose is used?

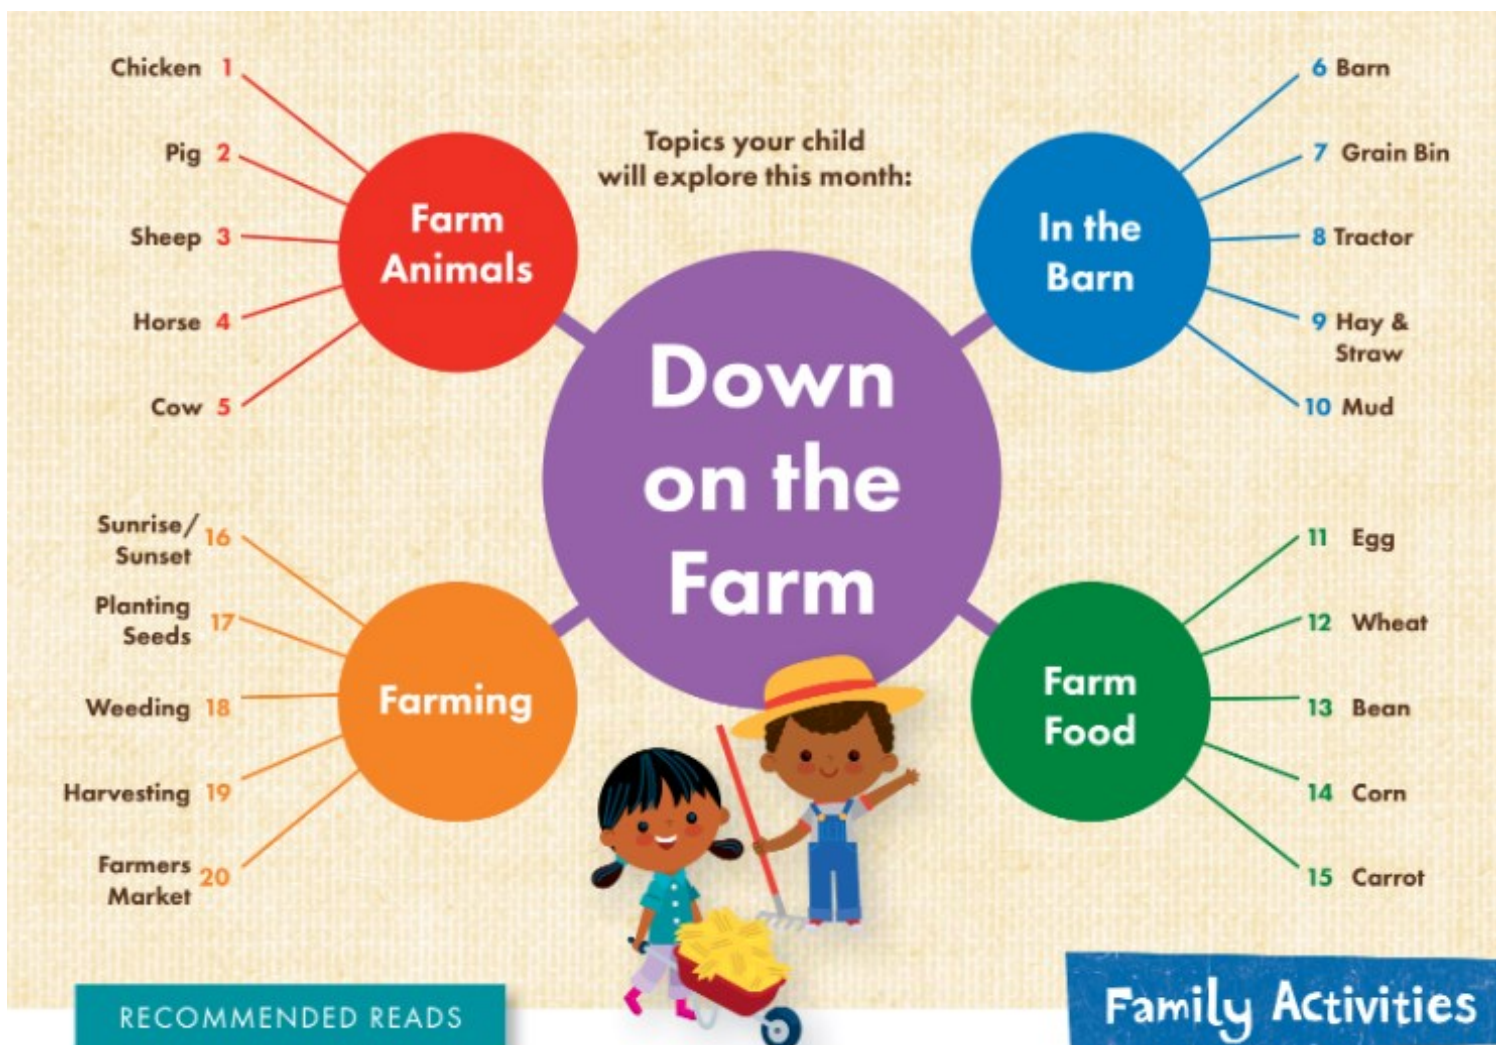

Healthy Eating

Children need positive food experiences to build a healthy relationship with food and food choices. Work together with your child to find a healthy recipe and make the dish together. Remind them of the importance of selecting foods from each food group. Acknowledge them throughout the meal as you notice your child making thoughtful and healthy food choices.

TRY THIS:

- To help your child learn to balance meals, draw the following diagram on a paper plate and practice at home. Current healthy guidelines recommend half of a plate of fruits and vegetables, a quarter low-fat protein and a quarter whole grains.
- Involve your child in the preparation of food, such as creating a shopping list together and finding those items in the grocery store.
- Encourage your child to help you with preparing and cooking food such as cracking an egg, measuring out ingredients, rolling out dough and stirring ingredients in a bowl.
- Cooking is a great time to teach about food safety. Remind your child to wash their hands before and after preparing food and to wash vegetables and fruit before eating.
- Keep mealtime conversations light and positive. Encourage your child to talk about their day. This helps to develop more communication between family members.

Farmer

(To the tune of "This Old Man")
For added fun, change the word "man" to match your child and other family members. After the song, discuss together what kinds of animals or crops you would like to farm.

**This old man, he had a farm.
He raised sheep, and cows,
and pigs.**

**With a great big tractor
And a big red barn,
Don't you think
you'd like to farm?**

Family Activities

Food Fun

The next time you make your shopping list, let your child help. Use free ads from local supermarkets to cut out the items you need to shop for and make a visual list your child can follow. After making the shopping list, count together the items that a farmer helped supply. Make a thank-you card for local farmers and thank them for helping provide food and drink for others to enjoy.

Bring the farmyard fun home by turning everyday moments into barnyard adventures with our Down on the Farm theme! Sing silly songs like "Old MacDonald," make animal sounds together or cuddle up with a farm-themed story to spark giggles and learning. At mealtime, chat about where carrots, corn or milk come from, just like little farmers do. Grab some toy animals or kitchen tools and let your toddler pretend to gather eggs, feed the sheep or plow the fields. These playful moments help build language, imagination and a joyful connection to the world, one "moo" and "oink" at a time!

Farm Animals: Build language and connect with animals, nature and food through songs, play and stories.

In the Barn: Explore farm life through playful activities that build curiosity and problem-solving skills.

Farm Food: Learn about healthy foods and where they come from by exploring how fruits and vegetables grow on farms.

Farming: Explore farm life through play, building language and understanding as they pretend, sing and learn about animals and crops.

By joining in these activities and reinforcing them at home, you play an important role in supporting your child's learning and development.

TOGETHER TIME

Old MacDonald Sound and Sing

WHAT?	HOW?	WHY?
Old MacDonald has a farm—E-I-E-I-O—and on that farm, he might even have a monkey! It's all in good fun as everyone is welcome on the farm and ready for a week full of puzzles, games and playful learning.	Sing "Old MacDonald Had a Farm," pausing before each animal sound and asking, "What sound does the [animal] make?" Encourage your child to make the sound with you. If you have toys or pictures, hold them up as you sing.	This familiar song helps toddlers build animal vocabulary, practice listening and memory and join in with singing and sound-making. These are all important for early language development and confidence.

Farm Animal Parade

WHAT?	HOW?	WHY?
What kind of plant is growing in the garden? Point, follow the path and explore this photo-based book to introduce print concepts and new vocabulary to your toddler.	Invite your toddler to march around the room like different farm animals. Say, "Let's be cows!" and walk slowly while saying "moo." Then switch to other animals, like pigs (crawl and oink) or chickens (flap arms and cluck).	This movement game builds vocabulary, supports listening and following directions and helps toddlers connect animal names with their sounds and movements, all while getting the wiggles out!

Wait for the Surprise!

WHAT?	HOW?	WHY?
Bear plants a garden, but it hasn't grown, even after a whole day! Maybe Fox can help. Join the Forest Friends to learn why patience is important and rewarding.	Place a toy or snack under a towel and say, "We're going to wait together, then see the surprise underneath!" Set a short timer or count slowly together. When time is up, lift the towel and cheer!	This playful routine helps toddlers practice waiting and self-regulation, building excitement in a low-pressure way. Plus, it's a great chance to bond and giggle together!

Where's Little Boy Blue?

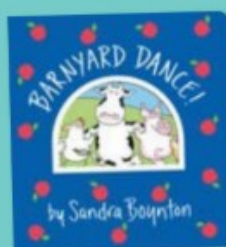

WHAT?	HOW?	WHY?
In the story, Little Boy Blue falls asleep while watching over the sheep and cows and doesn't hear his horn being called. Act out the rhyme together.	Recite "Little Boy Blue" together. Have your child pretend to be "sleeping" under a pillow or blanket haystack, then blow the horn to wake them up. Take turns playing different parts of the rhyme, or use a toy animal to represent the sheep or cow.	This activity brings the rhyme to life, helping toddlers build both language and comprehension skills while having fun through movement and role play.
