MISSION Grace Community Church is a Church family who shares the love of Jesus by serving, Spirit-filled prayer and biblical worship.

Welcome to the family!

VISION Through the spirit of Jesus Christ, we will prayerfully seek intentional opportunities to meet people where they are through discipleship and service.

A Short Man in Jericho

Luke 19:1-4

Rev. Randy Madsen

"Jesus entered Jericho and was passing through. A man was there by the name of Zacchaeus; he was a chief tax collector and was wealthy. He wanted to see who Jesus was, but because he was short he could not see over the crowd. So he ran ahead and climbed a sycamore-fig tree to see him, since Jesus was coming that way." Luke 19:1-4

ON-LINE SERVICES ONLY

Office calls will be monitored. If you need anything, call us at (803) 548-4078 and leave a message or email communications@come2grace.org

We hope you will watch the recorded sermon on YouTube at: youtube.com/c/come2grace

Grace Community is a praying church. Every Sunday morning each chair is prayed over and our prayer warriors are praying over requests, community and our world during each service. On Tuesday evenings at 6:30 we have a dedicated prayer service for anyone who would like to come. Please join us as we lift each other, the world, friends, our community and whatever is on your heart up in prayer.

See page 3 for details.

Bags to Benches

If you've been sitting on a pile of plastic bags, always meaning to "get around to taking them to recycle," now is your chance to bring them in so our young ones can actually sit on them! Beginning February 1, Grace will be collecting plastic bags of the types shown (above/below) for recycling into a bench for our playground. Keep an eye out in the coming weeks for information regarding the "Bags to Benches" collection site location. (Let's work together to decrease the number of plastic bags in our trash—and the amount of stain remover we're using on our kids' shorts and pants!) Contact Jennifer Hudgens, (704-588-6349).

Recycle your household bags & wrap into Trex's Earth-friendly composite decking and railing!
