Last night an angel of the God to whom I belong and whom I serve stood beside me and said, 'Do not be afraid, Paul. You must stand trial before Caesar; and God has graciously given you the lives of all who sail with you.' Acts 27:22-24

Grace Community is a praying church. Every Sunday morning each chair is prayed over and our prayer warriors are praying over requests, community and our world during each service. On Tuesday evenings at 6:30 we have a dedicated prayer service for anyone who would like to come. Please join us as we lift each other, the world, friends, our community and whatever is on your heart up in prayer.

A Letter from our Pastor, Brandon Cande

Brothers and Sisters in Christ,

Though I don't experience it often enough, one of my most cherished activities is walking on an early dawn, virgin-trod, low tide beach. Might I find a sand dollar, a starfish, or even a conch yet unbroken? Such has been much of my journey these last two months.

I relate to the early morning beach: raw, exposed, and yet, somehow pure, having been laid bare for the world to see all of my sins, failures, and fears, and also my joys and victories. It is not an easy thing to pull back the layers of deceptions and lies one has listened to for too long. The evil one, that father of lies, he will have no victory in me or in you!

How I cherish your prayers, your cards, and letters as well as your continued support in both caring for my family and creating the space necessary for God's healing of my wounded soul. I am healing, though I still have a few months left. I rejoice in the LORD every time I read stories of how Grace Community is being exactly that, a true community built on God's grace. I love you! I am so grateful to Randy for stepping out of retirement to ensure the love of Jesus is shared from the pulpit every Sunday as well.

My prayers remain with each of you—especially through all of our battles with COVID. May the Lord bless you and keep you!
Brandon

Update: Pastor Brandon is back at Camp Hope after his battle with COVID that resulted in hospitalization. He is doing well and is back in full swing of his PTSD treatment plan.

Thank You! Miss You! Love You!
