PASTOR'S CORNER

Brothers and Sisters
in Christ,

Our UMC Special General Conference voted to move forward with the “Traditional Plan,” affirming the UMC’s historic stance regarding marriage. I have prayed for several years that the UMC would continue to seek God through a traditional and historically orthodox lens of Scripture. I rejoice. However, I also recognize that there are many within our Methodist Churches who seek God just as passionately, but interpret Scripture differently. While some celebrate what God is doing, others are hurting. Let’s continue to be in prayer for all of God’s creation, repent of our own sin, seek His holiness in our lives, and share His light and love with all

Peace and blessings,
Brandon
