### **PASTOR'S CORNER**

Brothers and Sisters in Christ,

Theophan wrote, "When you pray, do not end your prayer without having aroused in your heart some feeling towards God, whether it be reverence, or devotion, or thanksgiving, or glorification, or humility and contrition, or hope and trust. Also when after prayer you begin to read [the Bible], do not finish reading without having felt in your heart the truth of what you read... And if you pay attention to yourself, they will keep you under their influence during the whole day."

> Peace and blessings, Brandon
