

Thank you to all of you who have made the effort to be sure that those items being put into Bags to Benches containers are clean and dry and have all paper receipts taken out. It makes the job of collecting acceptable items for deposit much faster.

A new tally will be available at the end of each month and we will update the graphic.

In the meantime, please keep collecting and saving plastic bags for our children's playground bench. **WE ARE CLOSE TO 300 lbs.**
