

## PASTOR'S CORNER

Brothers and Sisters in Christ,

One of the challenges of being an Army National Guard Chaplain is continued training, time away from family, and time away from my Church family. We have some special sermons coming up you will not want to miss. Every time I've expressed concern about my military duties taking me away, you have responded with love and gratitude. Thank you for supporting me, our military and for allowing me to minister to Soldiers. See you in a couple weeks and may God bless you.

Peace and blessings,  
Brandon
