Reported that the Consolidated Funding Application has been done for this year.

Website should be put together to provide Tonawanda zoning information.

We should switch from direct assistance to becoming a promotional organization.

The website we start will need to be supported. There are outside organizations that will do this for about \$200 for 3 years. Jason will check on the cost for this service

No new business.

Next meeting will be on Tuesday 25 August. Place to be announced, either in basement of city hall or outside.

Motion to adjourn
