

ITALIAN COMPACT COURSE FOR BEGINNERS

(10 lessons only)

Are you already planning a **vacation** in Italy? Or you don't feel to commit to a standard language course but rather would like to have a **first taste of the Italian language**?

In this course we will focus on conversation and vocabulary for many day-to-day situations (e.g. greetings, introducing yourself, ordering in a restaurant, street directions, groceries and shopping, etc.) learning in a short time the basics of the Italian language.

This is a **compact course of 10 lessons only (120 minutes each) and price is \$330.**

- * Suitable for absolute beginners.
- * Textbook used: TALK ITALIAN 1 - Book and CD
- * This Italian course also prepares you for a more structured and grammar focused **standard Italian course.**

HAVE FUN LEARNING ITALIAN!

My motto is "Learn through fun!"

Classes are hold in a relaxed atmosphere, without time pressure and are an enjoyable learning experience!

Fun has a positive effect on motivation levels, determining what we learn and how much we retain.

We will talk in Italian a lot, sometimes sing, do a lot of didactical games, watching short videos and we will certainly laugh a lot!
