**Red Bud Baptist Church,  
Hwy 58, Castalia, NC @ 6pm**

Northeast Franklin Revitalization is a local non-profit organization with a mission to bolster the 11 Northeast Franklin County communities of approximately 5,600 residents. Join us at our next summit to hear about Jason Brown's entrepreneurial spirit illustrated through his farming operation - First Fruits Farm, and his thoughts about how agribusiness and agritourism can revitalize a community. You will also hear about an exciting upcoming conference on agritourism.
