# Elliot Lake Minor Soccer Association 2026 Season – U11 Schedule

www.elliottlakeminorsoccer.ca

Parking / Please do NOT park in the grass

Our website [www.elliottlakeminorsoccer.ca](http://www.elliottlakeminorsoccer.ca) will be updated Mondays and Wednesdays by 4pm to let everyone know if soccer will be cancelled due to adverse weather.

Match Officials are responsible for cancelling in-progress games.

## How each day of soccer will run:

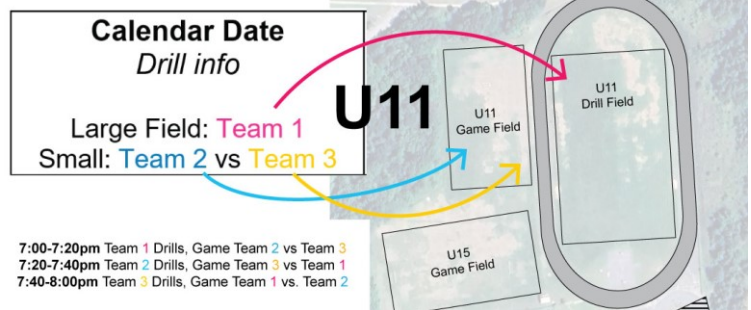

Each team will do a drill/practice period of about 20 minutes and play two games of soccer about 20 minutes in length for each game. The schedule lists the starting position for each team. At the end of the first 20 minute period the teams will switch. The team starting with drills/practice will move to the small field for games and the first listed team starting with a game will move to the large field for drills/practice. For the last period; the team finished playing two games will switch with the team that finished with drills/practice.

See the diagram on the left for the field details.

**6PM-7PM U5 & U8**

**7PM-8PM U11 & U15**

There are three teams in U11. The schedule lists the starting position for each team. The first team listed will set up in the largest field for drills (where U5 teams played). The other two teams play a game on the small soccer field. The teams will then rotate positions about every 20 minutes as described above.
