

### Pre-Existing or Potential Damage Waiver

Dear Customer:

Your product must be moved in order to be repaired. While Florida Man Residential will take every precaution to prevent damage to your home, a risk still exists which you should be aware of. Movement of the product can sometimes cause minor damage to the nearby area (such as scratches to the floor, cabinets, etc).

Please sign this form acknowledging that our technician or agent discussed this potential problem and any pre-existing damage with you before moving the product. In addition, the technician will be taking pictures of the immediate area before and after completion of the service.

(To be Completed by Technician)
Pre-existing Damage (ex: floor marks, marred wood, water damage):  
Damage Post-Repair:  

#### CUSTOMER ACKNOWLEDGEMENT:

I have read the foregoing and understand that, in spite of the care taken by Florida Man Residential's technician, some damage may result from moving my product for which Florida Man Residential will not be responsible. Florida Man Residential is also not responsible for any pre-existing damage. I understand the Florida Man Residential's technician will be taking photographs to document the state of the area near the product before and after conducting the repair.
