A NOTE FROM SELMA

Dear Friends,

We hope this message finds you well and taking good care of yourself and your family. Nothing at Selma's Catering & Events is more important than the safety, health and well-being of our customers and our employees. We are closely watching how the Coronavirus (COVID-19) pandemic evolves and continue to focus on our high standards of employee hygiene, cleaning, food safety, and of course serving the finest, freshest food in Lexington, Kentucky.

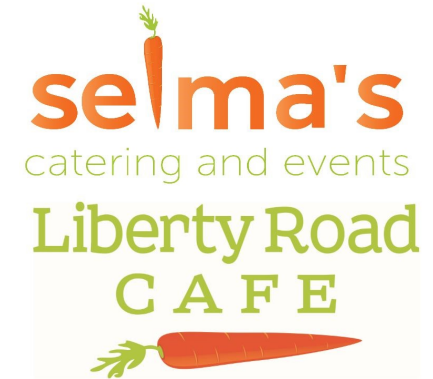

At a time when many folks are increasingly ordering out, finding store shelves empty, and trying to figure out how to keep everyone fed, we hope you will keep us in mind as you make plans for family meals and snacking. We have made some changes to help better serve and support you during this difficult time and wanted to keep you posted.

Although our Liberty Road Café is closed to the public, our chefs are preparing fresh, homemade Kentucky Proud food daily. We will have a daily menu posted on our website, www.SelmasCatering.com, as well as keep our Grab'n'Go cooler stocked for you. We have come up with options for everyone!

Above all, we want you to know how much we value you and are grateful for your business. We will work hard to continue to take care of you and yours as we get through this unprecedented time, together. Thanks so much!

Sincerely,

Selma Owens CEO
