ORGANIZED EFFICIENT AND BEAUTIFUL

BY LINDA WILLIFORD

A clutter-free home offers more than a tidy appearance. Experts say reducing clutter can lower stress, improve organization, spark creativity, and help create a happier, more peaceful environment.

Samantha and Jimmy Floyd, local owners and operators of Closets by Design Emerald Coast, opened their Pensacola location in 2019. They serve a broad range of clientele from Mobile County to Bay County, including Baldwin County and Foley.

Samantha says, “We are full service. We transform spaces into efficient, beautiful spaces that are easier and more organized to use.” She added, “We consider any area in the home.”

Closets by Design offers makeovers and updates not only for walk-in and reach-in closets but also for home offices, pantries, laundry rooms, hobby rooms, media centers, and garages.

“We do our best to work within a client’s budget,” says Samantha. “We simplify life. We bring a lot of smiles and peace

within the home and to make their organized dream come true.”

The custom-tailored design begins with a free, no-obligation in-home consultation. Next comes measuring the space and presenting a variety of design options and samples. The designer guides the client through the selection process, and construction begins.

Samantha is proud of her team of designers and installers. “We have no subcontractors,” she said. “Everyone who is part of our team are employees. Our employees are well vetted by us, trained, and mentored before they are sent into the homes.”

Closets by Design has a showroom located in Pensacola. They have 9,000 sq. ft. of manufacturing space in that building. “We do that because we want to be able to control the quality, control the raw material, and control the manufacturing,” she said.

Samantha, Jimmy, and their team can transform any space, including existing homes, condominiums, and commercial projects. They also do new construction and can design special opportunities from blueprints.

Samantha said, “This is an investment in the home. We are very respectful of the client’s budget. We walk them through the process. That’s what sets us apart.” Samantha added that “at the end of the process, the clients are happy and rave about the designers and installers.”

For more information, see their ad on page 13, and check out their website at www.emeraldcoast.closetsbydesign.com to see their photo gallery and client reviews. Great RECIPES

Easy Elote Corn

Recipe courtesy of The Produce Moms on behalf of Duda Farm Fresh Foods.

Visit **DudaFresh.com** to find more ways to elevate your patriotic celebrations.

INGREDIENTS *4 servings*

- 1 Dandy Sweet Corn Tray (4 count)
- 1 lime, juice only (about 2 tablespoons)
- 1 cup mayonnaise or Mexican crema
- 2 tablespoons Elote seasoning
- 1 cup cotija cheese, crumbled
- fresh cilantro, chopped, for garnish
- hot sauce or chili powder (optional)

DIRECTIONS

Heat grill to medium-high heat.

Place corn directly on grates and cook 10-15 minutes, turning every 2-3 minutes, until charred and cooked through.

While corn is still warm, squeeze lime juice on all sides. Brush or spoon mayonnaise on each ear, ensuring all sides are coated.

Evenly sprinkle Elote seasoning over coated corn. Using hands, gently press seasoning into mayo.

Arrange Elote on serving platter, sprinkle with cotija cheese and garnish with fresh chopped cilantro. Serve with hot sauce or chili powder for extra heat, if desired.
