CAPTURE THAT MOMENT IN TIME

LINDA WILLIFORD

Omaira Gonzalez, a professional photographer who lives in Foley, captures moments in time that will live forever. Her business, Omaira G Photography, is based in Baldwin County, and she covers Orange Beach, Gulf Shores, Foley, Fairhope, and along the Gulf Coast. Omaira says, “A good photo tells a story from the past and keeps it alive in the present.”

In 2015, Omaira bought a camera because she loved taking photos. When her daughter was born, Omaira had the passion to capture every important moment in her daughter’s life. Omaira said, “I decided I wanted to invest in photography, so I took some online courses and basically learned by myself.” Soon, Omaira learned how to master the camera and was encouraged to start a business. For over a year, she has shared her photography with others through her business. She says, “My business philosophy

is based on caring about your moments as my own.”

Omaira’s main business is in her studio, which is in Elberta. She takes family photos, birthdays, Christmas mini-sessions, outdoor photo shoots, and individual portraits. She also shoots weddings and sweet sixteen birthdays, which are known in the Hispanic/Latino community as the Quinceanera Experience. Omaira says that what she finds unique and interesting is photo shoots of food products. She photographs food items for menus for the Cozumel Mexican Grill in Owa and the recently opened Cozumel restaurant in Fairhope.

Omaira’s home is full of family photos. She says, “There are different forms of artwork for your walls, but personally, I love to cover my walls with photos of family in hard times and in good times. I have a home of memories.” Omaira is from the Dominican Republic and was raised in New York. She moved to Foley with her husband and has started a family and a business.

Let Omaira immortalize your special moments with her professional photography. To book a session, call 251-504-6251 or visit her website: www.omairagphotography.com. Don’t let your memories fade-trust Omaira to capture them for forever. See ad on page 13.

3 TBSP. MAPLE SYRUP, DIVIDED

From the kitchen of
Michelle Smith

DIRECTIONS:

Preheat oven to 350. Line bottoms of 3 greased 9-in. round baking pans with parchment; grease parchment.

Cream the butter and brown sugar until light and fluffy, 5-7 minutes. Add eggs, 1 at a time, beating well after each addition. Beat in the maple flavoring. In another bowl, whisk together flour, baking powder, baking soda and salt; add to creamed mixture alternately with buttermilk, beating after each addition. Transfer to prepared pans. Bake until a toothpick inserted in center comes out clean, 11-13 minutes. Cool in pans for 10 minutes before removing to wire racks; remove paper. Cool completely.

For candied walnuts, in a large skillet, melt the butter over medium heat; saute walnuts until toasted, about 5 minutes. Stir in maple syrup and salt; cook and stir for 1 minute. Spread onto foil; cool completely.

For frosting, beat butter until creamy. Beat in maple flavoring and salt. Gradually beat in confectioner's sugar and enough cream to reach desired consistency. Place 1 cake layer on a serving plate; spread with 1 cup frosting. Sprinkle with ½ cup candied walnuts and drizzle with 1 Tbsp. maple syrup. Repeat layers. Top with remaining layer. Frost top and sides of cake. Top with remaining walnuts and syrup.
