Material Handling and Drayage Information

Please order these services on the following page

Material Handling and Drayage: General Information

Material handling includes unloading materials from your carrier, storage at the advance warehouse for up to 30 days prior to the show, delivering the materials to your booth space, storage of empty containers during the show, and loading your materials from your booth onto the outbound carrier during move-out. Shipments received without documentation will be delivered without guarantee of piece count or condition.

We require that a credit card authorization form be on file for all shipments. To avoid a delay in receiving your shipment at your booth these services should be paid for in advance. Shipments may be held until payment is received. As the official service contractor TotalExpo is the exclusive provider for material handling and drayage services. **Please see the following page for material handling rates and ordering.**

TotalExpo is not a carrier and does not provide shipping of materials. Our material handling and drayage services are separate from the actual shipping services provided by your carrier. The actual shipping cost should be paid in advance, and handled between you and your carrier directly. Shipments sent collect will not be accepted.

For additional clarification on Material Handling and Drayage please contact exhibitor services at (310) 320-4203.

Calculating your Material Handling Charges

Shipments are billed per cwt; **1 cwt is equal to 100 lbs.**; if your weight exceeds 10 lbs. above the previous 100 lbs. it will be rounded up to the next 100 lbs. (ex. 211 lbs. is billed at 300 lbs. or 3cwt, 350 lbs. is billed at 400 lbs. or 4 cwt). A 200 lbs. minimum charge will apply to all shipments, except those that qualify for small package rates. To calculate your material handling fees multiply your cwt by the rate listed on the following page. It is understood that your calculated weight is only an estimate and final billing will be based off actual weight. Each shipment received will be billed separately, including shipments split by the carrier.

Advance Warehouse Receiving (2 cwt minimum charge per shipment received)

This service includes: unloading shipments at designated advance warehouse during dates and times listed; storage up to 30 days; reloading onto our trucks for delivery to show-site; unloading shipments and delivery to the booth; retrieving, storing, and returning empty containers; loading outbound shipments from the booth to the indicated carrier. Any additional services or materials will be provided at an additional cost.

The advance warehouse will receive shipments that are: boxed, crated; skidded; carpet and pad only.

The advance warehouse will **not** receive shipments that are: uncrated; loose; pad-wrapped; unskidded machinery without proper lifting bars or hooks.

Direct to Show-Site Shipping (2 cwt minimum charge per shipment received)

This service includes: unloading shipments at the show-site during dates and times listed and delivery to the booth; retrieving, storing, and returning empty containers; loading outbound shipments from the booth to the indicated carrier. Any additional services or materials will provided at an additional cost.

Regular Handling and Special Handling

Regular Handling applies to any shipment delivered in such a manner that does not require additional labor or special equipment to unload and deliver such as crated and skidded materials. Crated Materials are those packed in any type of shipping container that can be unloaded/loaded without additional labor or equipment.

Special Handling applies to any shipment delivered in such a manner that requires additional labor, additional or special equipment to unload and deliver. This applies to: shipments delivered without documentation (such as FedEx, UPS, DHL, and USPS shipments); mixed load shipments that include crated and uncrated pieces; designated piece unloading/loading that requires the crew to unload or rearrange other pieces; shipments that require ground or sided unloading/loading; stacked shipments; carpet and pad only shipments; shipments unload/load by cubic foot; shipments delivered via van lines.

Small Packages

Small package rates apply to shipments weighing 30 lbs. or less in total weight. This does not mean 30lbs. per piece. Rate is charged per piece. Shipments delivered via FedEx, UPS and similar carriers qualify for this rate, however if the total weight exceeds 30lbs. these shipments will be billed at special handling rates.

Early/Late Shipments and Additional Surcharges

Shipments received outside of the listed receiving dates and time frames will incur a 35% surcharge. Shipments attempting delivery outside of the listed dates and times are not guaranteed to be accepted. In some instances where additional labor and/or additional or special equipment is required there may be an additional surcharge on top of the special handling rate.

Outbound Shipping

A TotalExpo Bill of Lading (BOL) is required for all outbound shipments. The BOL can be obtained from the service desk. The TotalExpo BOL is required in addition to any other documentation provided by the exhibiting company or the carrier. The BOL and other documentation must be turned in at the service desk, not left in the booth. Shipments must be picked up within in the listed time frame. If you are using a carrier other than our preferred show carrier you will be responsible to schedule a pick up within the listed timeframe. Shipments not picked up within that timeframe will be rerouted via our preferred show carrier, our carrier will bill the exhibitor directly for shipping charges. The exhibitor will be responsible for all charges related to rerouting, included additional labor and or material charges. If the outbound carrier requires their own documentation be available with the shipment or affixed to the shipment (such as UPS and FedEx) the exhibitor will be responsible for providing and properly completing those documents. FedEx and UPS may not be able to pick up within limited move out times or on weekends.
