- Questions have come up as to why committees do not make reports at the meeting. Since we all have a busy, unpredictable schedule, the group present suggested the President ask Committee Chairs to provide a short update to the President (in writing or on the phone) a week prior to the meeting so that a report may be made to the membership whether or not the Chair is present at the meeting. We thank Lauren McDermott for consistently providing such a report.

V. Adjournment:

Motion: To adjourn meeting
Motion By: Shelley Huston
Seconded By: Jim Beach

Meeting Adjourned at 7:14 PM.

Respectfully Submitted,
Kimberly Beach, Recording Secretary
