Instructions for **Justice For B & R** Letter Writing Campaign in

California:

Please Share!

Please print out all letters, preferably on light pink paper, sign them and then put them in an envelope, preferably an envelope where you can see the address window. It is necessary to fold the letters so that the mailing address shows in the address window. Or feel free to print right on the envelope.

If you don't have pink paper or cannot get these types of envelopes, please just print on regular white paper and ensure the envelope is properly addressed.

Follow up:

Please copy and paste these letters and email them to the appropriate person and follow up with a phone call and a tag with a picture of you with your letters on Twitter! Let's be the change we Need To See. Thank you!!

For many legislators, you will have to go to a link that will ask you to verify your 9 digit zip code. If you don't know the last 4 digits of your zip code, you can go to the following link and it will walk you through it. Just enter your full address and it will pull up the last 4 digits for you.
