

### **Instructions for this letter writing campaign:**

Please print out all 5 letters, preferably on light pink paper, sign them and then put them in an envelope, preferably an envelope where you can see the address window. It is necessary to fold the letters so that the mailing address shows in the address window.

If you don't have pink paper or cannot get these types of envelopes, please just print on regular white paper and ensure the envelope is properly addressed.

Here's the link to the Google SpreadSheet. Please Post your name on the List so we can track how many of these letters are going out, and please share this campaign with everyone you know:
