Volunteers are #1**

### Easter Egg Hunt

Easter is over a month away, but P4P is planning on a fun day for the family at our new building site on April 4. We plan a huge egg hunt as well as a possible visit from the Easter Bunny. The next newsletter will provide details.

### Newsletter Mailouts

This will be the last newsletter mailout. With postage being so expensive, we would rather use the money spent on postage to put toward the building fund. The newsletter will still be available on our web page, our Facebook page and through email. If you are a member of Partners for Pets you will receive it through email.

### Why we do what we do.

Buck when he arrived and Buck now.

### 2019 Statistics

In 2019 P4P took in 180 dogs and 103 cats.

153 dogs were adopted and 97 cats were adopted.

### Available For Adoption

Edna

Ham

Edna is an 18 month old neutered female

Ham is a 2 year old neutered male.

### 100 Days of School

Three schools in Jackson County celebrated the 100 days of school by collecting supplies for the shelter. Riverside Elementary, Sneads High School Beta Club and Mrs. Nolen's class from Golson collected several supplies to help the shelter. Jayme, Toni and Carol were able to bring puppies to Mrs. Nolen's class to share with her second graders
