**Our Donors and
Volunteers are #1**

New Van

The shelter has been in desperate need of a

vehicle to

transport animals back and forth to the vet. Thankfully a volunteer and board member, along with her husband, donated a van for transport use.

Special Adoptions

Even with the Covid-19 issue, we've had some successful adoptions. Some of our special dogs that we've had for a long time were able to go to New York with Lucky Puppy Rescue and find forever homes. Horatio, now Hero, is enjoying a new life with his new family and learning about boating.

PETOFEST

In four short months we'll be having our 2nd Petoferfest. It will be held on Friday, Oct. 30 at the Madison Street Pavilion. Mark your calendars to be sure and bring you, your family and your pet to an evening of fun and food. If you are interested in being a vendor please contact the shelter.

We hope to see you there!

New Shelter Updates

Paul Donofrio, a local architect, has drawn up tentative plans for the new shelter. We also held a fund raiser to raise money to pay to have 4.4 acres cleared. We have someone we've contracted with, but land clearing has been delayed due to a technicality.

Thank you to Mr. Tony and MHS FFA who created several play stations for the dogs as well as décor for the front of the shelter. Awesome job!

Available For Adoption

Holly is a sweet lab mix that has been at the shelter long enough. She has gone through the 2nd Chance program and learned basic commands. She has been vetted, spayed and is UTD on her vaccinations.

Allie is a very playful young kitten that is looking for a forever home. She is UTD on her vaccinations, spayed and is feline leukemia negative.
