See you there.

Congratulations to Vicki

Our very own Vicki Fuqua, President of the Board for Partners for Pets, was honored Feb. 20. She was named Citizen of the Year by the Jackson County Chamber of Commerce. Vicki has been a powerhouse in furthering the mission of the animal shelter. A well deserved honor.

Max is a 4 month old Jack Russell Terrier Dachshund mix, Male, sweet and playful and looking for his forever home.

Kato is an 8 month old neutered male that was born at the shelter.

A Huge Thank You

As many of you know I lost my home and several of my cats to a house fire on Valentines Day. To add to the misery I lost my mom the next day. I'll never be able to thank everyone enough that has helped financially as well as materially. It has been a rough few weeks but the love and support of everybody, many whom I don't even know has helped me deal with this heartache. And on a happy side note. One of my babies made it out and I found her a week later.
