

The Boardwalkers: Video Edition Brings a Riveting Historical Fiction Thriller to Life with an Interactive Reading Experience

A sweeping 70-year historical fiction saga inspired by Atlantic City's colorful past combines organized crime, legal suspense, romance, and psychological mystery enhanced with 25 embedded videos for an immersive multimedia experience.

USA — Frederick Schofield and Beach Books Publishing, LLC proudly announces the upcoming worldwide release of The **Boardwalkers: Video Edition** by **Frederick Schofield**, an unforgettable historical fiction novel that transports readers through seven decades of Atlantic City's most transformative years from the waning days of Prohibition in the 1930s to the rise of the casino era and beyond.

Blending **historical fiction, Mafia intrigue, legal suspense, psychological mystery, romance, and adventure**, The Boardwalkers delivers a gripping, character-driven story inspired by the atmosphere, culture, and evolution of one of America's most iconic seaside cities.

What makes this edition truly unique is its **interactive multimedia experience**. The Video Edition features **25 embedded videos** in the eBook and QR-code access in the print edition, allowing readers to enjoy seven decades of music, historical context, and exclusive author insights while following the story.

A Story of Crime, Justice, Love, and Redemption

Inspired by Atlantic City's rich history, The Boardwalkers follows multiple lives whose destinies become intertwined across seventy years.

Readers will meet a determined immigrant who rises through the ranks of organized crime while discovering that power cannot replace love. They will also follow a respected attorney accused of the brutal murder of his wife and a relentless female prosecutor whose unwavering pursuit of justice tests everyone around her.

As the city evolves, so do its people, revealing stories of ambition, betrayal, sacrifice, redemption, and second chances.

A Fictional Journey Through an Iconic Era

Fans of **Boardwalk Empire** and **The Sopranos** will appreciate how *The Boardwalkers* explores a compelling fictional chapter of Atlantic City's underworld set between the eras those acclaimed stories portray. While inspired by the city's fascinating past, the novel stands entirely on its own, offering readers an original and emotionally engaging historical fiction experience.

Richly imagined settings, layered characters, and authentic legal insight combine to create a page-turning novel that appeals to readers of historical thrillers, organized crime fiction, legal dramas, and psychological mysteries.
