Garrett Phillips
Memorial Career Tech. Scholarship
Academic Year 2024-2025

The Garrett Phillips Memorial scholarship program is intended to provide financial assistance to students planning to enroll in a career tech. training, apprenticeship, or internship program. The scholarship is in memory of Robertsdale High School Class of 2020 graduate, Garrett Phillips. Garret or "G" as he was affectionately called by friends and family was a good student, extremely polite and respectful. Rather than traditional classroom work, Garrett preferred outdoor activities and working with his hands and spent his junior and senior years attending South Baldwin Center for Technology. Garrett was enrolled to start a welding training program the day following his untimely passing. To remember and honor the incredible young man "G" was, Central Baldwin Sunset Rotary Club provides scholarships to deserving students seeking to pursue career tech. training.

Examples of programs include, but are not limited to: **Automotive Technology, Aviation, Building Construction, Computer Technology, Cosmetology, Culinary Arts, Cybersecurity, Fire Science, Graphics & Design, Health Sciences, Horticulture, HVAC/Plumbing/Electrical, Industrial Maintenance, Instrumentation Technology, Utility Lineman, and Welding.**

Scholarships are awarded in the amount of **\$2,500** based on full-time and part-time enrollment.
