## Exciting News from HIHO!

Harsens Island Helping Others, Inc. (HIHO) is proud to be celebrating our first anniversary as a 501(c)(3) nonprofit organization dedicated to enriching the lives of children and families in our community.

Many of you may already know us through one of our favorite community traditions — the 9th Annual Harsens Island Community Halloween Party! What began with bringing families together for this special event has grown into something even bigger: a nonprofit organization focused on supporting our community throughout the entire year.

Our mission is to provide engaging entertainment, meaningful programs, and essential support that foster joy, connection, and growth for local children and families.

At Harsens Island Helping Others, Inc., we are committed to creating a welcoming environment where families can have fun, build lasting relationships, and connect with resources that support their well-being and development. Through community events, programs, and outreach, we hope to help nurture a vibrant and inclusive community where every child and family feels valued and supported.

As we celebrate one year as HIHO Inc. and prepare for our 9th Annual Harsens Island Community Halloween Party, we are incredibly excited about what lies ahead.

Help us spread the word about HIHO and join us as we continue working together to make a positive difference in our community!
