

The Nightingale Lamp is a symbol of nursing knowledge as well as comfort and courage, lighting the way. The white rose symbolizes devotion to the profession of nursing.

### The Nurses Prayer

May I be a nurse like them, **Lord** with gentle healing hands who always speaks with kindness, who cares and understands, and while I'm serving others as you would have me do, please help me to remember that I'm truly serving you.  
**Amen**

## CAPITAL REGION NURSES HONOR GUARD

*Serving Albany, Columbia, Greene, Rensselaer, Saratoga and Schenectady Counties*

## What is the Nurses Honor Guard and What Do They Do?

### Volunteer Group of Nurses

We are active/retired nurses (LPN, RN, CRNA, CNM, or NP) who volunteer our time to attend the funeral services or celebrations of life to honor the life and service of a nurse who has passed away. There is no cost for this service.

### Mission:

Our mission is to show our appreciation for fallen colleagues for their lifelong compassionate service to their profession, patients, and communities.

### Service:

The Nurses Honor Guard will assemble, and read the Nightingale Tribute. A white rose will be presented in honor of the fallen colleague, followed by the Final Roll Call. The Nightingale lamp will then be extinguished and presented to the family. The Nurse's Prayer may be included upon request.

## Who do we honor with a tribute?

If someone has been a nurse at any point in life, we want to pay tribute to that service. We will attend the services of an LPN, RN, CRNA, CNM, or NP in Albany, Rensselaer, Schenectady, Saratoga, Columbia, & Greene Counties.

Our goal is to make sure that  
at the end of life or at their passing,  
NO NURSE IS FORGOTTEN
