

## **GROUNDS MAINTENANCE OPERATIVE**

### **Job description:**

Grounds Maintenance Operative — Axminster

Part time — Variable Hours to suit.

We are seeking Grounds Maintenance Operatives to join our Axminster based team. This role will involve working at different sites throughout Devon, Dorset and Somerset, carrying out a variety of grounds maintenance activities.

Who we need:

- Applicants must hold a full driving licence and experience of driving light commercial vehicles is desirable.
- Applicants must be reliable and conscientious, have a can-do attitude and willingness to learn, with the ability to work as part of a team as well as on their own initiative.
- Previous experience of grounds maintenance work, horticultural tasks, use of handheld machinery and pesticides qualifications (PA1 & PA6) is desirable though not essential; full training will be given.
- A basic level of computer / IT skills would also be useful, however full training will be given.
- Experience of towing a trailer would be an advantage.
- Successful applicants will be required to start and finish work at our Axminster yard.

The work:

- General grounds maintenance work including mowing grassed areas, strimming, blowing, hedge trimming, general maintenance to shrub beds and site cleansing.
- Training and full PPE is provided.
- Days and hours of work will be variable according to seasonal demand and the wishes of the successful applicant.

About Mackay Gardening Services Limited.

We are proud to be Equal Opportunity employers and are committed to inclusion and diversity. We have been providing grounds maintenance services across Devon, Dorset and Somerset since 2017 and specialise in commercial grounds maintenance, gardening and small tree care.
