

Shortridge Alumni Association Empowerment Scholarship Awards

I'm Stefinie and I graduated from Shortridge in 2013. Before I graduated I won the alumni scholarship. When I began college, I used that money for my first semester books. At the end of first semester, I got on the Dean's List for Culinary Arts.

If it wasn't for Shortridge I wouldn't have been the dedicated, outgoing honor student I became.

During my high school years, I made friends I now call family. Even though we've graduated, we all still remain in contact with each other and help each other in our time of need. I'm proud to call myself a Blue Devil.

Merit Scholarship Awards

Claire – Class of 2019

Shortridge helped me on my path to success as a student at the Herron School of Art + Design at IUPUI.

Shortridge allowed me to develop my critical thinking and adaptability skills that have allowed me to achieve goals and awards at Herron.

I am currently a full-time student, with honors, and Indiana University recently commissioned me to make retiree gifts on their behalf.

I credit Shortridge with my success as a fine arts student!
