

In conjunction with the Outdoor Target Provincial championships, SAA will host the **SAA Open and SAA Open Mixed Team Compound Event** (max 8 teams), which will be an Outdoor Target match play event. Archers will have the choice to opt in during the registration process. The SAA Outdoor Target provincials 720 round will be used for ranking purposes. The SAA Open will be a single elimination match play event for U18 Archers and older only at this time. Eliminations rounds for Compound and Barebow will be shot at the 50-metre distance and Recurve will be shot at 70 metres. The SAA Open may be run in the following categories (categories to be finalized based on registration):

**Compound Open, Compound Women, Barebow Open, Recurve Open** (separate women's category for Barebow and Recurve may be opened in years where numbers allow).

**SAA Open Mixed Team Event.** This event will be a single elimination and will consist of teams with one male and one female archer. The event will be contested at the distance and targets faces used by the Senior Compound division. First 8 teams submitted with both Archers registered will be taken for this event.

### **SCORING for Elimination rounds**

Using the AC match play grids:

Recurve / Barebow events will be matches consisting of the best of 5 sets of 3 arrows (30 sec per arrow), set points awarded for each end (2 for winning end, 1 each for tying the end) and the first to 6 points wins.

Compound events will be matches consisting of 5 ends of 3 arrows (cumulative score) (30 sec per arrow), highest score wins, single arrow closest to the x to break a tie.

Mixed Team event, shooting will be 2 arrow per archer 20 seconds per arrow 4 ends, highest score wins. Team members will alternate arrow for arrow for medal rounds. To make it easier for time clocks, opposing teams will shoot simultaneously, all matches for a round will be shot at the same
