

SASKATCHEWAN ARCHERY ASSOCIATION

Target and Field Report

The 2024 indoor and outdoor season has been insane this year with many great shoots. Indoor Provincials saw an increase in the amount of archers we had as well as Outdoor target and Field following in the same pattern.

2024 is also bringing us the Sask. Summer Games which every athlete that is going and or that had tried out has represented our sport very well. Every one of them should be very proud as they didn't make it easy on the coaches to pick their teams.

Being this has been my first year as Target And Field Coordinator it has been very rewarding and challenging at the same time. Thank you to everyone that's given info and guidance along the way. Also a huge thank you to all the Clubs, and volunteers that have hosted, and helped out other clubs to make sure things go smoothly. It has proven over and over that Archery is a big family and we do look out for one another and help each other succeed.

Congratulations to all Archers that shot in indoor provincials, outdoor Target and Field Provincials and the Sask. Summer Games. And a huge thank you to the Coaches and Managers that stepped up for those Archers.

Bring on 2025 with some more great and fun Shoots.

Matt Hood
