

Your club should be aware of its membership and how they are involved in the sport of archery at the local, provincial, national and international levels. Clubs benefit through MAP grants from its membership's involvement. We encourage you to build a database that will allow you to maximize your MAP funding in any given year. To receive any EXTRA funding, the numbers provided on the following form will be what is used for those calculations.

After the calculation of Base/Coaches/Officials Amounts for applying clubs is completed, the balance of MAP funds still available will be allocated to applicants using the following distribution criteria:

1. REGISTERED MEMBERS - One point for each member registered with the SAA
2. PARTICIPATION One point for each member who participates in the following events:
  - a. AC Indoor Target Championship
  - b. SAA Indoor Target Championship
  - c. AC, Canada Cup West/East
  - d. AC Outdoor Target Championship
  - e. SAA Outdoor Target Championship
  - f. AC Outdoor Field Championship
  - g. SAA Outdoor Field Championship
  - h. AC 3D Championship
  - i. SAA Outdoor 3D Championship
  - j. JOP Championship
  - k. SAA Indoor 3D Championship
3. One point for each member who attends the Saskatchewan Archery Association AGM .
4. BALANCE OF FUNDS ALLOCATION will be calculated as follows:

TOTAL AVAILABLE FUNDS multiplied by CLUB POINTS divided by SUM TOTAL POINTS of ALL CLUBS in Province that apply for MAP Grant.

Example: Total available funds x club points = \$5,000 x 50 = \$250.00

Sum Total points 1,000

TOTAL CLUB MAP ALLOCATION = BASE + COACHES + OFFICIALS AMOUNT + BALANCE OF FUNDS ALLOCATION (calculated)

Please fill in the following form to ensure your club receives the maximum allocation available to it.
