Notes:

1. Generally these events do not recognize U15 and may not recognize U18, however they can shoot these events by shooting up an age category. Score cards or IANSEO screenshots can be attached to the Athlete Assistance Funding Application.
2. Vegas age categories and equipment may not align with World Archery or Archery Canada; that is okay. For this event; compound archers score will be maybe adjusted by reducing the score by the 10's count to meet score qualifier. This is the only event where archers can shoot outside of World Archery and Archery Canada equipment rules (big arrows allowed).
