## Double Face Baby Alpaca PREMIUM Scarf

Hay piezas que no se eligen por tendencia, sino por sensación.

**Double Face Baby Alpaca PREMIUM Scarf** nace de esa idea: una bufanda que acompaña el ritmo del día con dos caras, dos estados de ánimo, una misma elegancia.

Combina la calma con un acento luminoso y fresco. Un toque de color que aparece, o se esconde, según cómo la anudes. Minimalista cuando querés silencio. Vibrante cuando querés presencia.

Tejida en 100% Baby Alpaca PREMIUM, su caída es impecable y su suavidad increíble, es ligera: abriga sin pesar, respira, se adapta. Una fibra hipoalergénica y biodegradable, tan noble como inteligente, que te mejora con el uso y perdura en el tiempo.

**Double Face Baby Alpaca PREMIUM Scarf** no grita. Susurra lujo.

*Un esencial contemporáneo para viajar, para trabajar, para salir.  
Para vivir.*

# Herringbone Baby Alpaca PREMIUM Scarf

Herringbone es un lenguaje. No necesita volumen ni contraste para decir “calidad”: habla en la dirección del tejido, en la precisión del dibujo, en la forma en que la luz se posa sobre la trama.

**Herringbone Baby Alpaca PREMIUM Scarf** está pensada para eso: una bufanda sobria y refinada, con patrón continuo en ambos lados, que mantiene el mismo carácter desde cualquier ángulo. Líneas finas, ritmo sereno, presencia discreta.

En **100% Baby Alpaca PREMIUM**, la sensación es inmediata: tacto suave, temperatura estable, y una caída limpia que se adapta al cuerpo sin armar. Ideal para usarla suelta, con un nudo simple o apenas apoyada - siempre queda bien, siempre se ve impecable.

**Herringbone Baby Alpaca PREMIUM Scarf - Una pieza que ordena y eleva.**

*Sin esfuerzo. Sin ruido.*

## Short Fringes Baby Alpaca PREMIUM Scarf

Las barbillas cortas son un gesto de diseño. No decoran: terminan. Dan un cierre limpio, preciso, casi arquitectónico, que vuelve la bufanda más moderna y más fácil de llevar.

**Short Fringes Baby Alpaca PREMIUM Scarf** está pensada para ese equilibrio: suavidad absoluta con una presencia contenida. El fleco corto acompaña el movimiento sin “romper” la línea, y deja que el protagonismo esté donde tiene que estar: en la fibra, en la caída, en el color.

Tejida en **100% Baby Alpaca PREMIUM**, se siente liviana pero abrigada, con una textura que respira y una forma que se acomoda sin esfuerzo. No necesita volumen para verse bien: funciona con un nudo simple, apenas apoyada sobre el tapado, o como capa ligera en interiores.
