Welcome New Members!

Amie Kurilla joined the fire company in July. Amie has supported and volunteered at many events over the years. Her husband John has been a member for 20 years.

Tracy Johnson joined the fire company in September. Her son Tommy joined as a cadet this year, and he encouraged her to join as well. With her LPN background, she's eager to get started. Tracy is currently enrolled in an extrication class and will start EMS training soon.

Matt Evans joined the fire company in October. He has been a volunteer firefighter for many years, starting out in Old Forge. Matt recently moved back to the area from North Carolina where he was a volunteer firefighter.

Welcome back Erica and Lori Boland (l to r) After a long hiatus, they re-joined the fire company in September.

WE NEED YOUR HELP TO REACH 100%

This is our third and last fund drive for 2023. Our current annual donation participation rate is 31% among the 1,200 households in Greenfield Township. For those that currently contribute, THANK YOU!

Help us reach our goal of 100% participation. Our suggested donation amount per household is \$40 per year. That's about 11 cents per day or less than \$4 per month. For seniors and businesses, the annual suggested donation is \$25 and \$125, respectively.

We rely on your donations to help fund the volunteer fire company's apparatus, training, safety gear, maintenance, and so much more!

THANK YOU FOR YOUR ONGOING SUPPORT!

*From our house to yours... we're wishing
you a happy and safe holiday season!*

- Get your vehicle ready for cold weather.
- Keep an emergency kit and blankets in your vehicle.
- Winterize your home and check heating systems.
- Inspect fireplaces and chimneys.
- Use pet-safe ice melts for your walkways.
- Keep holiday decorations away from heat sources.
- Keep candles away from children and pets (or substitute with flameless).
- Don't overload electrical outlets.
- Turn off holiday decorations before leaving the house or going to bed.
- Don't block exits and entryways.

Did you see us out there?

In October, Greenfield Township, Jermyn and Scott Township Volunteer Fire Companies visited Lakeland Elementary School to speak to students about safety and displayed their fire trucks.

In June, Greenfield Township Volunteer Fire Company stopped by the Lakeland Orchard during a TOUCH A TRUCK event. Other local fire companies also participated.
