EMS CAPT'S REPORT By Pete Shivock

On January 7, during one of our first winter storms of 2024, our 24-9 crew, along with Penn ALS, responded to a mother in labor in Greenfield Township. With the guidance from Lackawanna County Communication Center dispatchers, a healthy baby girl was delivered. The 24-9 crew and Penn ALS treated and transported mom and baby to the hospital. Thank you to our other units on scene: 59-9 and QR61.

These success stories make the EMS crew's job worth it. They're normally first on scene to deal with whatever comes their way and they handle it with grace, grit and tenacity.

THANK YOU!

Greenfield Township Volunteer Fire Company would like to thank the community for supporting the Super Bowl Pizza Sale!
