PUBLIC COMMENT

Item 1 – Receive communications from the public on items not listed on the posted agenda.

Noel Gonsalvez, a District Resident, said he "made a mistake" by contacting her school to find out which school Director-elect Minjarez’s child went to, trying to access her education records and home address, and that he should’ve focused on Ms. Minjarez’s residence. Mr. Gonsalvez is going to continue to contest the election results based on multiple candidates lying about their residences and criminal backgrounds. Mr. Gonsalvez asked the Board to remove Director Castille.

Item 14 – Canvass Returns of the November 8, 2022 Director Election and Approve the Order Canvassing the Returns of the November 8, 2022 Director Election. Mr. Carlton reported to the Board that the canvass results have not been made available by Travis County yet. Mr. Carlton said that the election results cannot be canvassed until the results are received. Director Krueger suggested that the Board meet again on Monday, November 21, 2022, at 6 p.m. to canvass the results. No action was taken to adopt the Order Canvassing the Returns of the November 8, 2022 Director Election.

Mr. Gonsalvez requested the Board file suit against Kimberly Minjarez and announced that if the Board does not, he will. Mr. Gonsalvez questioned why Director Castille solicited only the candidates he chose and why Director Castille accused Ms. Pilgreen and Mr. Gonsalvez of running a negative campaign. Mr. Gonsalvez then further stated about Directors Castille & Minjarez, "You better buckle up, because it's going to be a wild ride for the next 2 years".
